## PERSONAL PROFILE

---

A passionate and dedicated front-end Developer with hands-on experience in designing, developing, and delivering responsive, high-quality software using HTML, CSS, and JavaScript. Skilled in collaborating with cross-functional teams, leveraging industry best practices, and tailoring solutions to meet both user needs and business objectives.

## TECHNICAL SKILLS

---

- **Languages:** HTML, CSS, JavaScript, Typescript, SQL
- **Library and Frameworks:** React, Redux, Node JS, Bootstrap, Styled Components
- **CMS Tools:** Slate, WordPress, Cascade CMS
- **Database:** MongoDB, GraphQL, MySQL, Google Firebase, Restful APIs
- **Design Tools:** Adobe XD, Figma and Photoshop
- **Version Control:** Git, Bitbucket, and SourceTree
- **Productivity Tools:** JIRA, VSCode, Confluence, MS Office, Asana, Slack, MS teams
- **Testing & Analytics:** Jest, GA4, Webpagetest, Lambdatest, Speedcurve, Siteimprove
- **Other Skills:** Docker, Prototyping, Planning and Roadmapping, Technical Writing

## WORK EXPERIENCE

---

SOUTHERN ALBERTA INSTITUTE OF TECHNOLOGY (SAIT)      OCT. 2022 – PRESENT

### UI/UX Specialist & FRONT-END DEVELOPER

- **Design and Implementation:** Created and implemented responsive designs, prototypes, and mock-ups for [sait.ca](http://sait.ca) using tools like AdobeXD and Photoshop, including high-visibility projects such as Open House registration forms and homepage refresh.
- **Project Contributions:** Part of the team that revamped the SAIT Programs and Courses page, designed the School of Construction staff directory page, and implemented styling updates for event, news, and youth listings to enhance engagement.
- **Research and Optimization:** Conducted research and usability testing (e.g., Sched integration for the Open House schedule) and optimized accessibility with tools like Hotjar, GA4 Analytics, and WebPageTest, resulting in a 90% reduction in accessibility issues.
- **Innovative Features:** Designed and developed video background banners using YouTube API for campaign pages, created custom mega menu promos, and refreshed the Donate page to align with modern UX standards, boosting user engagement.

EVA BY TURING ANALYTICS

NOV. 2021 – OCT. 2022

### ASSOCIATE FRONT-END DEVELOPER

- Developed a React based one-page with CRUD functionality and styled-components on EVA web app. This dashboard helped to streamline workflows

- Used understanding of React to promote better component lifecycle practices, increasing turnaround speed by 25% with 100% deadline adherence.
- Worked in the Agile team by refining backlogs, participating in code reviews, and ensuring product releases met deadlines.
- Maintained version control and ensured smooth project releases using Git and GitHub.

#### **CANADIAN WOMEN FOR WOMEN IN AFGHANISTAN**

SEP. 2021 – OCT. 2021

##### **JUNIOR WEB DEVELOPER**

- Debugged and resolved issues on a PHP-based website, improving stability and user experience.
- Collaborated with DevOps teams to deploy updates in an Agile environment. Responsible for investigating and fixing bugs on the existing website
- Gained hands-on experience with PHP and Laravel, contributing to project enhancements
- Tested, configured, and troubleshoot software tools like Docker and PhpStorm.

#### **WOMEN IN TECHNOLOGY, CALGARY, AB.**

APR. 2021 – SEP. 2021

##### **JUNIOR WEB DEVELOPER**

- Led a project team to design, implement, and test a Learning Management System (LMS) to improve teaching delivery
- Implemented the LMS solution using a variety of frameworks and technologies such as Firebase, JavaScript, HTML, JQuery, and Bootstrap amongst others
- Coordinated the process of requirement gathering, user story generation, NoSQL database design, UI design and prototyping using Figma, report writing as well as communicating with team members and relevant stakeholders
- Advocated the use of development best practices such as version control with Github, coding standards, Agile scrum development practices as well as pair review and design session

#### **SHAREWORKS BY MORGAN STANLEY, CALGARY, AB.**

DEC. 2018 – MAR. 2021

##### **EQUITY PLAN SPECIALIST**

- Performed over 500 share transactions monthly with an average of 95% satisfactory feedback score by clients
- Resolved an average of 50 inquiries per day ranging from failed transactions to locked accounts.
- Advised clients on taxes, their investment portfolio and equity-related events, account activation, and enrollment into the Shareworks Plan.
